

Figure 1 displays 15 line graphs (a-o) showing the time course of various physiological and behavioral parameters over 120 minutes for three groups: Control (n=10), 100 mg/kg (n=10), and 200 mg/kg (n=10). The parameters are:

- (a) Rectal temperature (°C)
- (b) Core temperature (°C)
- (c) Rectal temperature (°C)
- (d) Core temperature (°C)
- (e) Rectal temperature (°C)
- (f) Core temperature (°C)
- (g) Rectal temperature (°C)
- (h) Core temperature (°C)
- (i) Rectal temperature (°C)
- (j) Core temperature (°C)
- (k) Rectal temperature (°C)
- (l) Core temperature (°C)
- (m) Rectal temperature (°C)
- (n) Core temperature (°C)
- (o) Rectal temperature (°C)

Each graph shows a baseline period followed by a treatment period. The 200 mg/kg group shows the most pronounced changes, particularly in temperature and heart rate.

For: CONTENT SUPPLY APPARATUS AND MACHINE READABLE RECORDING  
MEDIA FOR RECORDING A PROGRAM

**PRELIMINARY AMENDMENT**

Prior to examination on the merits and calculation of the filing fee, please amend the identified application as follows:

Claim 6, line 1, delete "2, 3, 4 or 5".

8. The content supply apparatus of claim 2, wherein:

said content hold means includes a transmission memory section for holding only contents supplied actually to the portable terminal, a prefetch memory section for holding only prefetched content among the other contents referred from the content held in said transmission memory section, a cache memory section holding the content the portable terminal had obtained in the past.

said content hold means includes a transmission memory section for holding only contents supplied actually to the portable terminal, a prefetch memory section for holding only prefetched content among the other contents referred from the content held in said transmission memory section, a cache memory section holding the content the portable terminal had obtained in the past.

### REMARKS

The above changes to the claims have been made, and new claims have been added, to delete the multiple-dependency of the claims.

Please charge any deficiencies in fees and credit any overpayment of fees to Attorney's  
Deposit Account No. 50-0481.

Respectfully submitted,

Sam Miller
